Exercise 7 – Mensch-Maschine-Interaktion 1

Heuristic Evaluation

Follow the subsequent steps with your group (3/4 people):

1. **Present your prototype**
   Present your paper prototype to another group. Walk them through the application the way a user would start using it.

2. **Evaluate the prototype**
   Evaluate the prototype presented to you by another group based on the usability heuristics.

3. **Gather feedback**
   Gather feedback that other made on your application and synthesize it in 5 short usability reports.

Submission:

- Submit the feedback in the form of the 5 short usability reports (all in one **PDF**) via UniWorx.
- Deadline: 02.07.2012 13:00
  (**Late submissions** or submissions via eMail and any other format than **PDF** will not be accepted!)
